CARRYALL 5000

HARDWORKING HERO: JOB 335

Grounds Maverick. The Carryall 500's commanding but easy to maintain 14-hp rated Subaru engine with electronic fuel injection delivers a total vehicle capacity up to 3/4 ton. Enough capacity to tow pine straw and the tool necessary to make short work of your grounds maintenance. That's more muscle per mile . . . anyway you look at it.

HARDWORKING HERO: JOB 886

Early Bird Domination. The Carryall 500 works as hard as you do. Scratch that. Harder. It's ready before you are, carries up to 1200 lb (544.3 kg) at a time, and resists rusting and corrosion with its all aluminum chassis. And it never says I need a lunch break.

VERSATILITY & RELIABILITY

Payload. Total vehicle capacity of up to 1200 lb. (544.3 kg)

Best-in-class EFI powertrain: The vehicle's 14-hp rated Subaru overhead cam engine with electronic fuel injection improves fuel efficiency as much as 50 percent. It also has a filter-less oil system, an optional limited slip differential for improved traction, and a side fuel tank. Beat that!

Improved charging. The industry's only standard on-board high-efficiency charger with cord retractor. This new system operates on voltages around the globe, and tolerates voltage swings that would shut down lesser chargers.

More durable than steel. Carryalls are built on Club Car's exclusive lightweight, rustproof, air-craft-grade aluminum frame that's designed to be stronger than steel. Unlike competitive steel frames, it resists corrosion and retains resale value.

Fit-to-task utility. A one-of-a-kind bed box with an integrated track-based attachment system, optional tool holders, bed dividers and cargo tie downs increases versatility and saves floor space. So you can do more with less.

Improved ergonomics. Cockpit style interiors with restyled hip restraints make the vehicles easier to enter and exit. And an ergonomic dash puts the key switch, shifter and gauges at the driver's fingertips.

The best warranty in the industry. The industry's longest standard battery, powertrain and bumper to bumper warranty.
